

RUTHERFORD LITTLE LEAGUE, INC.
“Baseball for Rutherford since 1951”

Rutherford Trading Pins Now Available For The Holidays!

Fill your favorite Little Leaguer’s stocking this year with Rutherford’s new trading pins. These commemorative pins were designed by Rutherford’s own baseball players after visiting tournaments throughout the State and the Little League World Series in Williamsport. Pins can be traded, worn and collected just like kids do all over the country. They are great as gifts to players, coaches, parents and to hand out to opposing teams during Tournament play.

Our pins feature six blue and six red stars representing each team in our American and National Leagues with a distinctive “R” baseball logo in the middle.

These pins are specially priced so everyone can buy enough to keep some and to trade for other league pins from other teams.

Set of three (3) pins- \$10.00
Individual pin- \$4.00
